City of Calgary, Members of Council
City Hall, Municipal Building
Calgary, Alberta

Attention: Members of Calgary City Council

Re: Land Use Bylaw (1P2007) Amendments and R-CG Monitoring Report City Wide

CHBA-UDI Calgary Region Association (CHBA-UDI) would like acknowledge our general support for the proposed amendments to the Land Use Bylaw 1P2007 as it pertains to the R-CG District presented to the Calgary Planning Commission on November 17, 2016. CHBA-UDI members have had the opportunity to work with City Administration throughout the implementation of the R-CG district, providing feedback on the performance of the district, including suites within the district in the rowhouse context.

We are particularly appreciative of the collaborative effort of the City's team, led by Stephen Pearce, and thank Mr. Pearce and his colleagues for industry engagement on this initiative throughout its implementation and more recently through the proposed amendments. We look forward to our continued collaboration in the future.

Respectfully,

CHBA-UDI CALGARY REGION ASSOCIATION

Beverly J. Jarvis
Director of Policy & Government Relations
