Benefit Driven Procurement Update

Presentation to The Priorities and Finance Committee

2021 March 16

Sarah Aspinall
Director, Supply Management

Report PFC2021-0395
ISC: Unrestricted

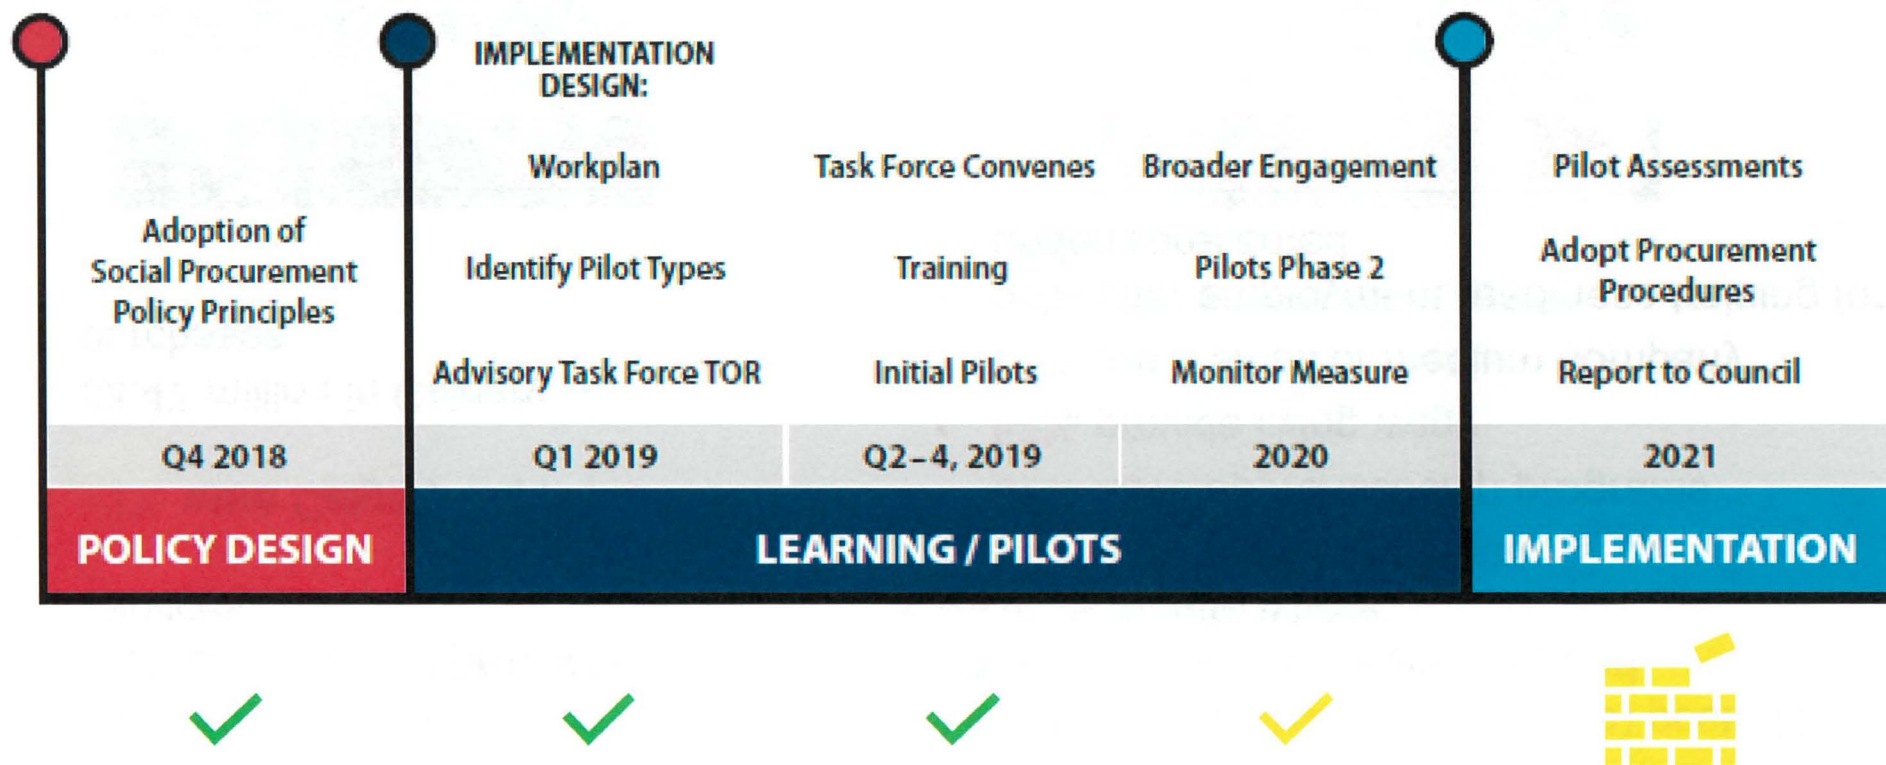

Recommendations

That the Priorities and Finance Committee recommends that Council:

1. Direct Administration for procurement covered under the *Procurement Policy* valued less than \$5,000 that it is recommended Administration 'Support Local', effective 2021 May 1;
2. Direct Administration for procurement covered under the *Procurement Policy* for goods & services valued from \$5,000 to less than \$75,000 and for construction valued from \$5,000 to less than \$200,000 to obtain a minimum three (3) supplier quotes of which at least one is from a Local Supplier, where possible, effective 2021 May 1;
3. Direct Administration for new procurements covered under the *Procurement Policy* for goods and services \$75,000 or greater, and for construction \$200,000 or greater, Supply Management is to recommend to the Procuring Entity including a Benefit Driven Procurement questionnaire with a minimum 5% evaluation weighting; and
4. Direct Administration to return to the Priorities and Finance Committee with a Council Policy inclusive of Benefit Driven Procurement no later than Q3 2021.
