I am strongly opposed to the proposed land use Bylaw 78D2020, which would rezone the property from RC-1 to RC-2.

Because the community of Glendale does not have a local plan, I consider any zoning changes prior to the completion of the Westbrook Communities Local Growth Plan, that includes Glendale, to be problematic. The change in zoning would enable the landowners to apply to develop two semi-detached dwelling units, which may include secondary suites. Hence, what is now a single dwelling could be replaced with four dwelling units. Should that occur, the character of the neighbourhood would change significantly.

Thank you for considering my concerns.
