MOTION DEFEATED

Moved by Councillor Keating
Seconded by Councillor Carra

That with respect to revised Report GC2020-0583, the following be adopted, after amendment:

The Green Line Committee recommends that Council:

1. Reconsider its decision of 2017 June 26 as it relates to approving the alignment and station locations of Stage 1 (16 Avenue N (Crescent Heights) to 126 Avenue S (Shepard)) and approve the updated Stage 1 alignment and station locations outlined in the revised Attachment 3. (For clarity, this is a reconsideration only of the alignment and station locations in Stage 1);
2. Direct Administration to implement a stage-gate process for delivery of Green Line Stage 1 Program ("Stage 1") in accordance with the following Segments as outlined in the revised Attachment 3:
 - a. Segment 1: 126 Avenue S.E. (Shepard) to East of the Elbow River (Inglewood/Ramsay);
 - b. Segment 2A: East of the Elbow River (Inglewood/Ramsay) to 2 Avenue S.W. Station (Eau Claire); and
 - c. Segment 2B: North of 2 Avenue S.W. Station (Eau Claire) to 16 Avenue N;
3. Reconsider its decision of 2019 July 29 by approving the substitution of the word 'Segment' for the word 'Contract' and the substitution of the words 'East of the Elbow River (Inglewood/Ramsay)' for the words '4th Street SE' wherever they appear in the decision;
4. Direct Administration to undertake the Segment 2A Functional LRT Plan and report back to the Green Line Committee with the results of the Segment 2A Functional LRT Plan no later than the end of Q4 2020;

6. Direct Administration to undertake the Segment 2B Functional LRT Plan and to continue stakeholder engagement and communications in Segment 2B as required while completing the following plans:

- Mobility Studies Plan;
- Access Management Plan;
- Streetscape Plan; and
- Bow River Bridge Plan.

Direct Administration to report back to the Green Line Committee with the results of the above plans no later than the end of Q2 2021;

7. Direct Administration to release the RFP for Segment 1 no later than 2020 July 24, execute required contracts and proceed with Segment 1 provided the Segment 1 cost estimate, including contingency, is estimated at no less than P80 and is within the Council approved Green Line Program budget;

8. Direct Administration to develop a contracting strategy for Segments 2A and 2B;

9. Direct Administration to prepare and release the procurement for Segment 2A provided the Segment 2A cost estimate, including contingency, is estimated at no less than P80 and is within the Council approved Green Line Program budget, and execute required contracts for Segment 2A and proceed with construction of Segment 2A;

10. Direct Administration to prepare and release the procurement for Segment 2B but not enter into a commitment to construct Segment 2B until Administration has determined that the construction of Segment 2A has sufficiently advanced to materially demonstrate that the Stage 1 cost estimate, including contingency, is estimated at no less than P80 and is within the Council approved Green Line Program budget. Once Administration has determined this and reported to Council, execute required contracts for Segment 2B and proceed with the construction of Segment 2B;

11. Direct Administration to advance enabling works construction in Segment 2A and 2B that materially reduces Segment 2A and 2B risk or advances their critical path schedule. Enabling works include but are not limited to utility relocations, demolition of existing buildings, environmental remediation and construction preparation activities;

12. In accordance with Council's direction on 2019 July 29 direct Administration to continue working with our funding partners to obtain agreement that any capital cost savings from the Green Line Stage 1 Program be applied to extension(s) south to McKenzie Towne or north to 40 Avenue N, the extension(s) to be determined utilizing the RouteAhead Project Prioritization Framework, and options to negotiate such extension(s) to be included in the contracts;

13. Direct that the primary focus of the Green Line Committee shift to planning for Stage 2 of the Green Line (the balance of 160 Avenue N to Seton) with an emphasis on North Central Calgary and the creation of a flexible and convertible mobility corridor in preparation for LRT that accommodates BRT and transit-on-demand as interim options until full funding for LRT can be secured, as well as the process of LRT and Transit- Oriented Development planning, with the goal of improving transit in North Central Calgary in the short and long term. Any

updates to the Terms of Reference for the Green Line Committee as a result of this new focus shall be presented to the Committee no later than end of Q3 2020;

14. Direct Administration to develop a Functional Plan for a flexible and convertible mobility corridor in North Central Calgary from 160 Avenue to Downtown (including but not limited to improvements identified in Attachments 7a and 7b) and return with recommendations for which improvements can be accommodated within the Council approved Green Line Program budget. This Functional Plan shall:

- a. Take into consideration the mode progression from express buses to a convertible BRT/LRT mobility corridor from 160 Avenue N to Downtown, including but not limited to the improvements identified in Attachment 7b from 160 Avenue N to 96 Avenue N; and
- b. Identify potential funding sources and strategies required to construct improvements beyond the funding that is part of the Council approved Green Line Program budget.

Administration to report back to the Green Line Committee no later than the end of Q2 2021 with the functional plan and the delivery plan for the funded improvements;

15. Direct Administration to proceed with the real property transactions based on the updated Stage 1 alignment as outlined in the revised Attachment 3, including the North Central BRT Improvements, in accordance with the procedures as outlined in the previously approved Proposed Delegated Authority, Stage 1 Green Line Project [C2018-0333];

16. Direct Administration to:

- a. Advise the Government of Canada and the Government of Alberta of Council's approval of the recommendations in this report;
- b. Secure any required amendments to the funding agreement, such amendments to include but not be limited to the Government of Canada agreeing to expedite the release of its funding contributions to help mitigate debt financing costs; and
- c. Secure written assurances from the Government of Alberta resolving the issues related to the 90-day termination provision contained in the Public Transit and Green Infrastructure Project Act (Alberta).

All amendments and written assurances are to be in content satisfactory to the City Manager and the Chief Financial Officer and in form satisfactory to the City Solicitor and General Counsel. Should all amendments and written assurances not be secured by the end of Q4 2020 direct Administration to report back to the Priorities and Finance Committee;

17. Notwithstanding the approvals above, and provided that the total Green Line Program Stage 1 cost does not exceed the Council approved Green Line Program budget, should significant additional funding for public transit become available, direct Administration to return to the Priorities and Finance Committee with recommendations for investments outlined in the Route Ahead prioritization strategy (including north and south extensions of the Green Line). Further, if adjustments to the Green Line Program are required to attract additional funding,

direct Administration to make recommendations to Council regarding those adjustments and funding opportunities.

ROLL CALL VOTE:

For: (14): Mayor Nenshi, Councillor Carra, Councillor Chahal, Councillor Chu, Councillor Colley-Urquhart, Councillor Davison, Councillor Demong, Councillor Farrell, Councillor Gondek, Councillor Jones, Councillor Keating, Councillor Magliocca, Councillor Sutherland, and Councillor Woolley
Against: (1): Councillor Farkas

MOTION CARRIED

Moved by Councillor Keating
Seconded by Councillor Carra

5. Direct Administration to include a cost-benefit comparison (based on the Council approved evaluation criteria themes: Mobility, Connectivity, Development, Environmental, Cost and Value, Risk and Constructability) for the 10 and 12 Avenue S and 11 Avenue S alignments in the report required in Recommendation 4 above, if the risk adjusted cost estimate for the 10 and 12 Avenue S alignment becomes less than or equal to the risk adjusted cost estimate for the 11 Avenue S alignment;

Against: Mayor Nenshi

MOTION CARRIED

Moved by Councillor Farrell
Seconded by Councillor Chu

Motion Arising:

That with respect to Report GC2020-0583, the following Motion Arising be adopted:

That Council directs Administration, in association with Green Line planning, Tomorrow's Chinatown local area planning, and the Main Streets program, to develop a streetscape masterplan for Centre St S (Centre Street Bridge to 4 Av S) to improve public realm, improve pedestrian safety, and integrate with future BRT infrastructure, with a funding strategy identified outside of the Green Line program.

Moved by Councillor Demong

Seconded by Councillor Farrell

That with respect to Notice of Motion PFC2020-0666, the following be adopted:

NOW THEREFORE BE IT RESOLVED THAT COUNCIL endorse proposal of the following resolution to the Alberta Urban Municipalities Association, and by doing so reaffirm its support for the development of Province-wide Extended Producer Responsibility Legislation:

WHEREAS Alberta faces unprecedented short and medium term economic challenges caused mainly by blocked access for oil to markets, the volatility of markets for fossil fuels, and the current COVID-19 threat;

AND WHEREAS without the ability possessed by other levels of government to repay borrowed funds over a long period of time, municipalities face a unique challenge when attempting to provide

tax/rate relief without sacrificing services that might prevent further economic hardship, or contribute to economic recovery;

AND WHEREAS moving forward, fiscal restraint and tax relief will be critical as other levels of government contend with the debt they have incurred to deal with the COVID-19 threat;

AND WHEREAS extended producer responsibility (EPR) is a policy approach that places the financial and/or physical responsibility for end of life management of products with the companies that produce those products, and would remove the financial burden for recycling programs from ratepayers and/or taxpayers;

AND WHEREAS under EPR municipalities realize extensive savings due to reduced responsibility for managing paper and packaging products at end of life;

AND WHEREAS a recent study conducted by the AUMA, the City of Calgary, the City of Edmonton, and industry partners has estimated adoption of Province-wide EPR legislation would result in \$105 million in savings to municipalities annually;

AND WHEREAS these savings would be realized in a way that does not pose a risk to the quality or level of waste management services provided to Albertans, and in some circumstances would perhaps even increase it;

AND WHEREAS thirty-five Albertan municipalities (including Calgary and Edmonton)—representing the vast majority of Albertans—have individually expressed their support for moving forward with Provincial EPR legislation by way of motion, letter of support, etc.;

AND WHEREAS the Alberta Urban Municipalities Association and the Rural Municipalities Association have both endorsed official resolutions calling on the Provincial Government to enact EPR Packaging and Paper Recycling legislation.

IT IS THEREFORE RESOLVED THAT *should the Government of Alberta adopt EPR legislation, every member municipality shall do everything in its power to pass any and all savings directly back to taxpaying and/or ratepaying Albertans.*

THEREFORE BE IT RESOLVED that the City of Calgary respond to citizen requests to hold a public consultation on systemic racism through a meeting of the Standing Policy Committee on Community and Protective Services which would include presentations from an expert panel and opportunities for public submissions;

BE IT FURTHER RESOLVED that the City of Calgary establish an Anti-Racism Action Committee, to be appointed at its Organizational Meeting in October 2020, to develop and implement a community-based antiracism strategy that will:

(a) Identify systemic barriers to accessing City of Calgary programs and services; (b) Identify language barriers in accessing information regarding City of Calgary programs and services; (c) Identify opportunities to work with community partners and organizations on actions to address structural racism on a community-wide level; and (d) Be diverse and inclusive, and a true reflection of Calgary's residents.

BE IT FURTHER RESOLVED that as part of the work above, and informed by the aforementioned public consultation through the Community and Protective Services committee, Council direct Administration to immediately engage in meaningful re-evaluation of City of Calgary internal practices and policies through the Diversity and Inclusion Framework lens. This includes but is not limited to budget deliberations, organizational structure, human resource practices, **naming** and procurement.

BE IT FURTHER RESOLVED that the Calgary City Council (including Council Staff) and the Administrative Leadership Team demonstrate a commitment to meaningful change by undertaking mandatory training on antiracism best practices as soon as possible, and commit to recurring training no less than once every four years.

BE IT FURTHER RESOLVED that the Calgary City Council formally request the Calgary Police Commission to report to Council as soon as possible on the anti-racism work currently underway and contemplated within the Calgary Police Service, and any plans for engaging in a broader conversation with the community on the future of policing in a diverse city.

AND BE IT FURTHER RESOLVED that Council request the Community-based Public Safety Taskforce to consider issues of systemic racism **and discrimination** in its work.

MOTION CARRIED

MOTION CARRIED

15. ADMINISTRATIVE INQUIRIES

15.1 Rivers District CRL and New Economic Realities

On April 16th, 2007 Council approved the Rivers District Community Revitalization Plan. Part of this plan included the Rivers *Community Revitalization Levy* (CRL) initiative. This Levy enabled the City of Calgary to make up front infrastructure investments in the Rivers District and collect the money back from properties in the area over a 20 year period from 2009 to 2028. In December 2018, City Council approved a 20 year extension to the original agreement extending it to 2047.

This front-end borrowing plan anticipated a “ROBUST ECONOMY WITH INCREASING PROPERTY TAX VALUE”, and also a “RAPID BUILD OUT OF THE PLANNED AREA” to enable the proper revenue generated by the CRL to be able to repay the initial amount. Considering changes in economic forecasting, is this CRL funding model still able to provide stable funding from 2009 to 2047 as originally intended?

15.2 Response to Administrative Inquiry from 2020 May 11 - Green Line Program, AI2020-0004

16. ADJOURNMENT
