Dear Council.

I'm so incredibly encouraged to hear about the initiatives that you, our elected leaders intend to take action on anti-racism in the city of Calgary.

I call on you to follow through on these initiatives as our black community needs us right now and forever.

This needs to be a priority for all Calgarians, and as our community leaders, we will be looking to you and holding you accountable to deliver on these promises and commitments that you've made.

The City of Calgary is a world class city, a place that I'm proud to call my home, a place I'm proud to work for, and a place I intend to proudly raise my family in. I want to raise my children within a community that respects everyone, period. I promise to do my part to the best of my abilities, and I assure you that myself and others will be making sure you do yours.

Thank you for your commitment to anti-racism.
