Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

The CA had concerns with the reduction in setbacks, and removal of non-residential parking requirements from the existing Direct Control District for the two adjoining parcels to the Currie Stables site. The CA indicated their support for moving forward with only the Currie Stables site and the addition of a distillery.

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

As a result of the feedback received, the application was revised to exclude the two adjoining parcels and the application now only includes the historic building site.

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

Canada Lands reached out to the RPCA on March 1, 2021 to inform them the application was being revised to focus only on the stables site.
