HIGHLIGHTS

- In accordance with the approved External Auditor's 2020 Audit Service Plan, Deloitte LLP has completed their independent audit of the financial statements of The City of Calgary for the year ended 2020 December 31.
- What does this mean to Calgarians? Citizens have assurance that the financial statements present fairly, in all material respects, the financial position of The City as at 2020 December 31 and the results of its operations, cash flows and changes in net financial assets for the year then ended in accordance with Canadian public sector accounting standards.
- Why does it matter? The Audit Committee's mandate is to ensure the integrity of The City's annual financial statements and the External Auditor provides independent assurance that the financial statements are free from material misstatement, whether due to fraud or error.
- The Attachments to this report contain the External Auditor's Report to the Audit Committee on the 2020 Audit.
- Strategic Alignment to Council's Citizen Priorities: A well-run city.
- The Audit Committee Bylaw 33M2020, states in Schedule B, Section 1(b) that "The Audit Committee in conjunction with Administration's presentation of the annual financial statements, receives and reviews the External Auditor's year end audit results report. This report is to be forwarded to Council for information."
