Dear Members of SPC for Planning & Urban Development:

Re: Secondary Suite Development Permit Exemption: Update

CHBA-UDI Calgary Region would like to acknowledge effort and foresight of Administration regarding the September 2015 initiative to allow for an exemption from a Development Permit (DP) for secondary suites where permitted. The initiative has been a positive step toward reducing cost, red tape and approval times for such applications as well as promoting secondary suite compliance with the Land Use Bylaw.

Accordingly, we would like to offer our support of Administration's recommendation to create a permanent Development Permit (DP) exemption for applications of this nature.

Sincerely,
CHBA-UDI CALGARY REGION ASSOCIATION
