

The background of the slide is a composite of two night-time photographs of Calgary. The top half shows the illuminated clock tower of the Calgary City Hall against a dark sky, with a street lamp visible on the left. The bottom half shows a blurred light trail of a vehicle, likely a tram or train, moving across a wet, reflective street. The overall color palette is dominated by the red of the text box and the dark blues and blacks of the night scene, with highlights from city lights.
