Commissioner Scott	<p>Reasons for Approval</p> <ul style="list-style-type: none">• I support the proposed Redesignation and Outline Plan as this application represents a responsive approach to the unique ecological and topographical conditions of the area, provides additional housing options, and is aligned with the MDP and West Macleod ASP.• I would like to thank the Applicant and Owner for their extreme patience in accommodating the shifting alignment of Sheriff King Street SW during the course of the application process, and hope future transportation planning of this nature better anticipates and resolves challenges when dealing with natural features earlier in the process relative to active outline plan files.
