Hello, attached is a public submission from community associations to PFC, related to Item 7.8 on this agenda. Thank you.

Sean Chu, Ward 4 Councillor  
City Hall, Calgary

June 7, 2021

Dear Councillor Chu,

We, representatives of the undersigned community associations, understand that at the upcoming Priorities and Finance Committee on June 8 2021, a motion will be presented requesting a portion of all future provincial and federal transportation grants be allocated to the Green Line project.

We urge you to support this motion.

The Green Line is a key piece of transportation and planning infrastructure for communities in north central Calgary and beyond. The Green Line will help alleviate over-burdened transit services along the Centre Street corridor, provide connections to the city's expanding frequent transit network, and support further investment and redevelopment along the corridor.

We support the Stage One construction plan for the Green Line, including the critical section from downtown to 16<sup>th</sup> Avenue. We must ensure the line crosses the Bow River. This represents our best hope at ensuring the service reaches our northern communities.

If you and the PFC committee members agree to allocate future funds to the Green Line, we are confident stations can be added incrementally north of 16<sup>th</sup> Avenue, extending the line into Ward 4 and beyond.

Please support the motion on June 8 that will provide the funding necessary to advance the Green Line into our communities.

Signed,

Jennifer Curley, Acting President, Beddington Heights Community Association  
Jeanne Kimber, President, Highland Park Community Association  
Julien Poirier, President, Tuxedo Park Community Association  
Carolyn Shipp, President, Winston Heights-Mountview Community Association
