

The City’s Performance Management System

If we aren’t moving forwards, we’re falling behind.

What is it?

The Performance Management System is a disciplined approach to continuous improvement designed to better serve our customers, communities and citizens.

Why do we need it?

In a dynamic and complex organization, it’s challenging to be consistent and effective. The City is charged with the responsibility of delivering a wide array of programs and services under the pressures of increasing service demands, competing priorities and limited funding, all within a changing environment.

The Performance Management System provides tested methods and tools that allows us to manage our programs and services in a more consistent, effective and efficient way.

What are the benefits?

A successfully implemented Performance Management System can:

- ✓ Increase our citizen-focus
- ✓ Help us achieve better performance results
- ✓ Improve our decision-making
- ✓ Develop our organizational capacity
- ✓ Connect our work cross-corporately

Who is responsible?

Value
