Subject: Public hearing for LOC2016-0114 on Sept 12, 2016

Attn: City Clerk

My husband and I are the applicants for land use redesignation application LOC2016-0114. It is set for public hearing at the city council meeting on September 12, 2016.

Please note that I will be 37 weeks pregnant on that day (3 weeks away from the due date) and I'll have issues with getting around and staying seated for long hours. I'd greatly appreciate if you could bump up our file as the first application in the hearing sequence thereby limiting my time at the council meeting to the minimum. I'd be very thankful if you could accommodate my request and prepare the council agenda accordingly.

Feel free to reach me if you've any questions.

Thank you,
Neha Soni

*RE: LOC2016-0114 Land Use Amendment Application (144 Cougar Ridge Mnr SW,
Calgary)*

Dear council members,

I wish to extend my full support to my neighbour **Mr. Rahul Swarnkar** regarding his application to redesignate his subject residential property from R-1 to R-1s to allow for a secondary suite.

Ever since my family has lived here, we have noticed him and his wife as responsible citizens and have seen them take extreme pride in maintaining their property. By doing prompt upkeep of the property (such as shoveling the driveway, mowing the lawns), they maintain a beautiful house which increases the overall desirability of our area.

Furthermore, I have never seen or heard any vehicle parking issues in our community. Mr Swarnkar has only one car, which is always parked inside his double car garage.

In summary, I am supportive of his application LOC2016-0114 and fully confident that he continues to be a responsible and ideal neighbour.

Sincerely,

Hubert Bright Ansu
