CC 661 (R2009-05)

RE: CREATION OF A PERMANENT PARK ALONG 37th ST SW CORRIDOR

COUNCILLOR PINCOTT

WHEREAS, the City of Calgary has committed to filling in the missing links within the regional pathway system;

AND WHEREAS, the Regional Pathway running west of 37th street SW has long been held in reserve as a possible alignment option for the South West Ring Road (SWRR), currently designated as S-FUD;

AND WHEREAS, the agreement reached by the Province of Alberta and Tsuu T'ina Nation confirms this land will no longer be required for the Ring Road corridor;

AND WHEREAS, the communities to the south of the reservoir have embraced the recreational use of this land, resulting in the achievement of two of the priorities set by this Council (a city that moves and a healthy and green city);

NOW THEREFORE BE IT RESOLVED that Council direct Administration to work with the SWRR team to close the un-constructed road right of way between 90th Ave SW and Anderson Rd, west of 37th Street SW, and between 66th Ave SW & Glenmore Trail;

AND FURTHER BE IT RESOLVED, that Council direct Administration to bring forward corresponding road closures, utility rights of way and land use re-designation bylaws in order to preserve the use of these lands as Park Space for future generations.
