Due to recent health measures regarding COVID-19, we have revised our strategy for conducting outreach within the community during this time. Our primary outreach strategy is to place signs at street level on the property where it is clearly visible; on the sign is a small summary of the proposed re-designation, as well as our company's contact information. This will be done in lieu of community outreach where close contact with other individuals is more likely- this is done as a precaution to COVID 19. Any individuals within the neighbourhood will be able to contact us via phone/e-mail accordingly. From the latest sign posting, we were able to garnish one more support letter. Also the one of the stakeholder also reach out to us in regards to the application. We are in the process to address all the comments arises from the stakeholder.
