Re: "The Union"

3511 and 3515 21st Street SW Calgary

DP2015-5259

LOC2015-0212

Dear David and David;

Please accept this letter as confirmation that "The Union", a 33 unit multi-family development, located at 3511 and 3515 21st Street SW Calgary, is of interest to the Attainable Homes Program.

AHCC is in support of your project and proposed land use amendment. In our discussions over the past year it has become clear that this project offers an exciting, amenity-rich inner-city living experience that we feel would be a great opportunity for Attainable Homes clients.

Although there will be details to be worked out, including approval by the AHCC board of directors and AHCC program underwriters, as well as approval of final designs and specifications, we are confident that there is a demand for a project in the bustling area of Marda Loop. I look forward to further discussing the matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Jamie Findlay", written over a horizontal line.

Jamie Findlay, Development Manager
Attainable Homes Calgary Corp
