Subject: 1603 38th ave SW

Hello,

I have been a resident of Altadore for more than a decade. **I am in opposition to the Land Use Bylaw Amendment from R-C2 to R-CG for 1603 38th Ave SW.**

I am in opposition because this is a narrow lot and I have concerns about parking in the area. I think the residents of the immediate surrounding area need to be consulted prior to any land use amendment. It is currently very hard to find a parking spot any where in Altadore - the streets are lined with cars. It has become unsafe for pedestrians and bike riders.

If you wish to contact me further, I am available via email at nwinkler@gmail.com and my mobile is (403) 992-5562.

Thank you.
