

A development permit application (DP2020-8317) was submitted by Formed Alliance Architecture Studio (FAAS) on December 23, 2020. The application is proposing a six storey multi-residential building containing 52 dwelling units and no commercial uses. Located on a corner parcel, the proposed building fronts onto both Bowness Road NW and 32 Avenue NW.

The following site plan and rendering (Figures 1 and 2) are from the application submission and provide an overview of what is being proposed. Both the rendering and site plan are included for informational purposes only.
