**Re: Belmont Mixed Use Commercial/Residential (LOC2011-0058)**

**RECOMMENDATION(S) OF THE CALGARY PLANNING COMMISSION**

**DIRECT Administration to work with the applicant and Corporate Properties to prepare amendments to the West Macleod Area Structure Plan and Direct Control Guidelines for the fire hall and commercial sites as outlined in this report to be brought back through Calgary Planning Commission no later than 2016 March 24.**

The Belmont Team has met with the City of Calgary Administration on the above noted item. Further discussion is required to determine the nature of the amendments and Direct Control Guideline. Additional time is required to resolve this issue. United is in support of adjusting the date to be brought back to Council by Q4 of 2016.

Sincerely,
