**DISCUSSION**

The application was submitted on 2021 March 11 by B&A Planning Group on behalf of the landowner, NEL Developments Ltd. The sites have a combined area of approximately 4.87 hectares (12.03 acres) and are located in the developing community of Cornerstone. The land use amendment boundary differs from the outline plan boundary. The outline plan encompasses a 1.33 hectare portion of the plan area while the land use amendment encompasses the entire 4.87 hectare plan area. The outline plan is only required for a portion of the subject lands due to a change in the transportation network.
