RECOMMENDATION OF THE CALGARY PLANNING COMMISSION, 2021 JULY 8:

That Council give three readings to **Proposed Bylaw 131D2021** for the redesignation of 0.06 hectares \pm (0.14 acres \pm) located at 8806 and 8808 – 46 Avenue NW (Plan 4690AP, Block 5, Lot 12) from Residential – Contextual One Dwelling (R-C1) District to Residential – Contextual One / Two Dwelling (R-C2) District.

HIGHLIGHTS

- This application seeks to redesignate the subject site in order to bring the existing semi-detached dwelling into conformity with the Land Use Bylaw, and this will then allow for the legalization of the existing secondary suite in each of the two basements.
- The application represents an appropriate density increase of a residential site, allows for a development form that may be compatible with the character of the existing neighbourhood, and aligns with applicable policies of the *Municipal Development Plan* (MDP).
- What does this mean to Calgarians? The proposed R-C2 District would allow for a greater housing choice within the community, and more efficient use of existing infrastructure and nearby amenities.
- Why does this matter? The proposal would accommodate the evolving needs of different age groups, lifestyles, and demographics.
- A development permit for a secondary suite has been submitted for 8808 - 46 Avenue NW.
- There is no previous Council Direction regarding this proposal.
- Strategic Alignment to Council's Citizen Priorities: A city of safe and inspiring neighbourhoods.

DISCUSSION

This land use amendment application was submitted by the landowner of 8808 – 46 Avenue NW, Shaifer Shaikh, on 2021 February 09 on behalf of Donnell Iosifelis, the landowner of 8806 – 46 Avenue NW and Naoreen Tumpa. The site consists of two parcels currently developed with a semi-detached dwelling. Each side of the semi-detached dwelling has a separate address.

The Applicant Submission (Attachment 2) indicates that the landowner is seeking to legalize the existing secondary suites located in the basements of the semi-detached dwelling units. The applicant is aware of the need to obtain the relevant or necessary City permits to ensure both

suites meet all Land Use Bylaw and building code requirements. A development permit application (DP2020-6452) has been submitted for a secondary suite at 8808 – 46 Avenue NW. The application is currently on hold pending the outcome of the subject land use amendment.

A detailed planning evaluation of the application, including location maps and site context, is provided in Attachment 1, Background and Planning Evaluation.
