Project objective is to develop an athletic park adjacent to the Shane Homes YMCA at Rocky Ridge which will include outdoor field and a fieldhouse at final build-out.

There is a growing demand for year-round opportunities to practice, play, train, and compete.

Need identified for an athletic park in Calgary's NW.

City owned 10-acres adjacent to the YMCA and acquired an additional 13-acres (December 2020) to support comprehensive athletic park development.

Land use amendment needed for the newly acquired 13-acres from S-FUD to S-R to support the development.

This athletic park will be constructed on a 23acre parcel and will address the commitment made in the Council approved "Update on New Recreation Facilities in the Southeast and Northwest" (PFC2012-0248) report which speaks to the need for athletic park. Project success will be assessed through a comprehensive analysis of the design, capital operating, community accessibility, and long-term sustainability considerations.
