### City of Calgary - Response to COVID-19

## Financial Supports

- As of September 21, more than \$8 million has been distributed, or approved to be distributed, to approximately 2,744 Calgary businesses through the Reopening Grant Program
- The Reopening Grant Programs have been combined into the Calgary COVID Business Support Program. There is just under \$5 million available through this program.
- Administration is developing a program that would provide a grant to assist with the costs associated with participating in the Restriction Exemption Program. Any business participating would be eligible and it will operate on a first-come, first-serve basis until funds have been exhausted or until an announced end date (TBD).

## City of Calgary Vaccine Support

That Council give three readings to Bylaw 65M2021.
