Subject: re-zone of 136 Chaparral Valley View

To whom it may concern,

I am emailing as I live on this row of homes and I have walked past this sign many times. I do want to express concern that I oppose the re-zoning of this or any lot in the area. I do not wish to see cars parked across the street and this area not turn into rental areas.

I bought my home a few years back for this very reason. My past home had rental and the block went from a nice place to live to an area we got out of due to this zoning. Living across from the ridge (hill across the street) was a very big attraction for us and I do not want to be pushed out again.

I believe this is what the sign was looking for,

thank you for your time,

Greg Porter
