DISCUSSION

This land use amendment application was submitted by Carswell Planning on behalf of the landowner, Make Space Alberta Property GP Inc, on 2021 June 01.

The site is located in the southeast community of Residual Sub-Area 12A, north of 114 Avenue SE, between Stoney Trail SE and 84 Street SE. The site is approximately 6.83 hectares (16.88 acres) in size, generally flat, and has vehicular access from 84 Street SE. The site is currently used for vehicle and outdoor storage.

As indicated in the Applicant Submission (Attachment 2), the proposed I-G District can accommodate a range of light and medium industrial uses and is better suited to accommodate the various types of storage activities, including Self Storage Facility. No development permit has been submitted at this time.
