**RECOMMENDATION OF THE CALGARY PLANNING COMMISSION, 2021 SEPTEMBER 02:**

That Council give three readings to **Proposed Bylaw 166D2021** for the redesignation of 0.03 hectares  $\pm$  (0.07 acres  $\pm$ ) located at 1229 – 13 Avenue SW (Plan A1, Block 96, Lot 6) from Centre City Multi-Residential High Rise District (CC-MH) to Direct Control District to accommodate the additional use of Office, with guidelines (Attachment 2).

**HIGHLIGHTS**

- This application seeks to redesignate the subject property to allow for the additional use of Office.
- A Direct Control District is necessary to accommodate an office within the existing building without allowing for all commercial uses associated with a mixed-use or commercial district. The proposed land use amendment is compatible with the surrounding land uses and development and is in keeping with applicable policies of the *Municipal Development Plan (MDP)*.
- What does this mean to Calgarians? If this application is approved by Council, it would allow for an additional service within an established residential and employment area.
- Why does it matter? Additional services such as offices contribute to the goal of complete communities.
- No development permit has been submitted at this time.
- There is no previous Council Direction regarding this proposal.
- Strategic Alignment to Council's Citizen Priorities: A city of safe and inspiring neighbourhoods.
