2020 January 27

City of Calgary Citizen Privacy Data Practices, C2020-0039

The City Clerk's Office reported back to Council on 2020 January 27 by:

- a. providing an analysis of The City's current privacy practices;
- b. providing a Privacy Framework 2019-2021 Workplan;
- c. providing information on current City Bylaws, Policies, and Procedures;
- d. providing information on current City Access to Information and Privacy training;
- e. providing examples of Smart City initiatives;
- f. providing a privacy vision and principles for The City that reinforce and build upon the purposes set out in the FOIP Act;
- g. providing results from open source research regarding a comparison of various Chief Privacy Officer roles and responsibility models across the public, private and global sectors; and
- h. providing information on privacy risks and the privacy practices that The City uses to mitigate those privacy risks.

Council approved the following recommendations:

- a. the Privacy Framework 2019-2021 Workplan (Attachment 1); and
- b. direct the City Clerk/FOIP Head to provide an annual report to the Priorities and Finance Committee on The City's Privacy Management Program.

2019 April 29

Notice of Motion - City of Calgary Citizen Privacy Data Practices, C2019-0590

Council adopted Notice of Motion (C2019-0590), City of Calgary Citizen Privacy Data Practices, directing the Chief Security Officer/Chief Information Security Officer, the Chief Information Technology Officer, Chief Human Resource Officer and the City Clerk in consultation with appropriate City staff and leading external privacy experts to:

- a. provide an analysis of The City's current privacy practices;
- b. develop a visible, accessible and overarching strategic Privacy Framework associated with digital infrastructure ("Smart Cities") and a Workplan for implementation;
- c. consider the Council Innovation Fund (CIF) which encourages innovation that has the potential to support or contribute to the goals of Council with city-wide application that have the potential to change city-wide policies, practices and procedures; and
- d. consider conducting a city-wide public consultation process on the Privacy Framework and data governance principles" (Notice of Motion – City of Calgary Citizen Data Privacy Practices, C2019-0560).
