

Background

The Legacy Parks Program Committee's mandate is to oversee the Legacy Parks Program to ensure equitable distribution of public investment and to maximize the positive impacts of new and enhanced parks for Calgarians now and into the future.

This will be achieved by:

- reviewing land acquisition opportunities;
- providing strategic program direction;
- prioritizing project selection;
- making recommendations on the expenditures of the ENMAX Legacy Parks Reserve; and
- providing updates to Council as required.

Context

Members of the Committee must be appointed by Council. The Committee's composition is:

4 voting members:

- › Mayor (Chair)
- › 3 Councillors

3 non-voting members:

- › 1 member of the Executive Leadership Team who oversees the corporate infrastructure portfolio, or designate
- › 1 Director, Parks and Open Spaces, or designate
- › 1 Legacy Parks Program Manager (Manager who oversees Parks capital projects) or designate
