Comments - please refrain from providing personal information in this field (maximum 2500 characters)	<p>Bylaw 184D2021 My street is one block over from the site the permit pertains to and runs West/East between 1 St and Livingston WY. My concern is traffic and parking on my street. The private school will bring additional traffic into the neighbourhood. I am asking for council to consider traffic calming measures done on my street to control speeding as there are young kids that play and bike ride on the street. As well, permit parking 7x24 on my street to stop overflow parking due to school events added on to community events. I appreciate the forum to voice my concern.</p> <p>Thank you</p>
