Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name:

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

Public outreach for development in the area started back in 2014 and remained consistent as development progressed in Carrington. This application is a slight shift in product types due to market conditions and new housing product available from Mattamy. The type of development as well as the density of the community have not changed, and thus engagement was deemed unnecessary in this case.

Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

Mattamy Homes continues to engage with their residents on their experience living in the community and their expectations for community amenities.

Stakeholders

Who did you connect with in your outreach program? List all stakeholder groups you connected with. (Please do not include individual names)
