Kyle Ripley  
Director of Calgary Recreation  
City of Calgary

Dear Mr. Ripley,

On behalf of the Calgary Winter Lacrosse Association we would like to thank you and the members of Council of the City of Calgary for your ongoing support of the development of the Indoor Lacrosse Facility to be located on Ogden Road. Our collaboration together has been integral in the continued development of this project and ongoing support of Lacrosse in Calgary.

We have been in consultation with our Calgary Recreation Sport Coordinator to discuss the extension of the timeline for our off site levy fees and are in full support of the report and feel that the 2017 December deadline provides opportunity for our group to reach completion of this project.

We want to thank you, Council and administration for your continued support of Lacrosse in Calgary.

Warm Regards,

Paul McCormack, President CWLL
