

# Amendment to Various Bylaws to Reflect Organization Realignment

- This Bylaw will take effect January 1<sup>st</sup> as a first step towards the Organization Realignment that will take place in 2022.
- This amending Bylaw updates various City bylaws to reflect new Director position titles in order to ensure a seamless transition.
- Delegation of authorities by bylaw must comply with technical legal requirements under the MGA. This amending bylaw updates various standard provisions related to delegations to ensure consistency with the MGA and consistency of defined terms across City bylaws.
- Next steps: Current delegations will be maintained in place after the Bylaw comes in effect and until such time as the realignment takes place for specific Business Units. Legal Services will then work with these Business Units to ensure all necessary updated delegations from the City Manager are put in place.
