Introduction

This document is the approval document for budget adjustments arising from the Solutions for Achieving Value and Excellence (SAVE) business cases, new investments, and other adjustments. The adjustments are grouped primarily by the Citizen Priorities and service lines established in the One Calgary 2019-2022 Service Plans and Budgets.

- The Solutions for Achieving Value and Excellence (SAVE) program has an overall financial impact of \$56.1 million in operating budget reductions in 2022 (described in Attachment 4), comprising \$53.2 million in base savings (including \$1 million in base revenue) and **\$2.8 million in one-time savings (consisting of \$4.3 million in one-time savings less \$1.5 million in one-time implementation costs)**, that require Council approval.
- Other tax rate reduction opportunities requiring Council approval are a \$6.5 million reduction in property tax-support for 2022 from Waste & Recycling Services (WRS). This reduction will be accomplished by leveraging the Waste & Recycling Services sustainment reserve, refining revenue and expenditure projections, and shifting historically tax-supported program overhead costs to self-supported fees; and a \$5 million revenue budget increase from investment income.
- Proposed new investments (described in Attachment 5), which originate from a combination of previous Council direction and Administration recommendations, as well as the impact of corporate realignment¹, require \$16 million in base and \$10.9 million in one-time funding.

These changes result in an overall \$48.8 million base reduction and a \$8.1 million one-time increase to the 2022 net operating budget.

The table on the next page further breaks out the adjustments by base (permanent) and/or one-time impacts by Citizen Priority.

¹ The terms "realignment" and "realignment investments" refer to ongoing and planned initiatives to transform and modernize the organization as part of Administration's Rethink to Thrive strategy. This transformation strengthens internal collaboration, changing and improving processes to better serve Calgarians.

Overview of 2022 Budget Adjustments by Citizen Priority

All figures are in \$000s.

Positive numbers: Reduction to net operating budget (Savings / Additional Revenue).

Negative numbers: Increase in net operating budget (Additional costs / Loss of Revenue).

Citizen Priority ¹	SAVE Program		New Investments				Other	Total
	Base	One-Time	Service Increase ²		Realignment ²		Base	Net Budget
			Base	One-Time ³	Base	One-Time ³		
A Prosperous City	350	-	(1,227)	(1,963)	-	(510)	-	(3,350)
A City of Safe and Inspiring Neighbourhoods	158	-	(860)	(6,335)	-	-	-	(7,037)
A City that Moves	280	-	-	-	-	-	-	280
A Healthy and Green City	484	-	-	(1,750)	(635)	(12)	6,500	4,587
A Well-Run City	200	-	(5,017)	(294)	(3,212)	(69)	-	(8,392)
Corporate Programs	51,774	2,831	(5,000)	-	-	-	5,000	54,605
Grand Total	53,246	2,831	(12,104)	(10,342)	(3,847)	(591)	11,500	40,693

Note 1: All savings and investments are shown in their respective Citizen Priorities unless held corporately. Some of the savings shown in Corporate Programs will be distributed to service budgets as the cross-corporate business cases are implemented.

Note 2: Service increase consist of various investments some of which were directed by Council and are proposed to help citizens, businesses, and Administration adapt to Calgary's rapidly changing environment. The Realignment investments refer to ongoing and planned initiatives to transform and modernize the organization as part of Administration's Rethink to Thrive strategy. This transformation strengthens internal collaboration, changing and improving processes to better serve Calgarians.

Note 3: \$7.8 million of one-time investments are funded by the Fiscal Stability Reserve and Budget Savings Account Merged Reserve and \$3.1 million are funded by temporary savings from growth budgets.

Note 4: SAVE Reserve impacts - The following are one-time savings identified in the Public Art Program and Financial Reserves Optimization business cases that do not result in budget adjustments but are proposed releases from reserves:

Reserve	2022 (\$000s)
Public Art Reserve	3,200
Revolving Fund Reserve for General Land Purchases	2,200

These funds will be transferred to the Fiscal Stability Reserve and Budget Savings Account Merged Reserve.
