NOTE: Urgent Business forms must be submitted to the City Clerk prior to the start of a Regular Business Meeting. When the item has been added to the Agenda, the City Clerk will arrange to have the form printed on bright green colored paper and distributed to Members of Council.

URGENT BUSINESS (GREEN SHEET)

The purpose of the Urgent Business section of the Agenda is to permit a Member of Council the opportunity to raise an urgent item for which they could not give notice, and for which nothing was contained on the agenda but is of such a nature a decision must be made prior to the next Regular Meeting. If such Urgent Business is raised it can only be done following a motion agreed to by Members of Council to waive Notice.

Sections 53, 137 and 138 of the Procedure Bylaw 44M2006 states as follows:

53. A Member of Council may desire to bring forward an item of Urgent Business. Thirty-five (35) copies of the items shall be brought to the Meeting by the Member. The item, referred to as a "Green Sheet" not as a Notice of Motion, shall be distributed after addition to the Agenda by a Two-Thirds (10) Vote.
137. A Member may move to discuss a matter of urgent public importance without prior notice. A motion to bring Urgent Business before a Meeting is subject to the following conditions:
 - (1) the matter proposed for discussion must relate to a genuine emergency, calling for immediate and urgent consideration;
 - (2) the Mayor has determined the matter is urgent, prior to the start of the Meeting at which the motion is made;
 - (3) the motion must not involve discussion of a matter which has been discussed previously in the same Meeting, excepting questions raised in Question Period;
 - (4) the matter must not be one which should receive written notice;
 - (5) the motion must not raise a Point of Privilege; and
 - (6) the motion must be adopted by a Two-Thirds (10) Vote.
138. When a Member has made a motion to waive notice for Urgent Business, the Mayor may rule that the matter is not Urgent Business.
