## Community Outreach for Planning & Development Applicant-led Outreach Summary

### **What did you hear?**

Provide a summary of main issues and ideas that were raised by participants in your outreach.

The Community Association advised that they are not in support to any redesignation from R-C1 to R-C2 in general, without providing any explanation or reasons to their position. No further communication was conducted.

### **How did stakeholder input influence decisions?**

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

We believe the response of the Association goes against City Policy and vision.

According to the R-C2 Bylaws, the Lot coverage, massing envelope, and height are similar to the R-C1. Any proposed Semi or Singles' Building/s under R-C2 will follow same rules and sizes. Therefore, we believe the Community Association position is not accurate.

### **How did you close the loop with stakeholders?**

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)
