Overall, I am/we are:

Neither in support nor in opposition of this application

Areas of interest/concern:

Height,Density,Amount of Parking,Building setbacks,Traffic impacts,Shadowing impacts,Offsite impacts

General comments or concerns:

Height of structure is a major concern height of buildings should not exceed any more the 5 and 10 stories as per other buildings allowed in Winston heights. Again parking will have to be address on site and not allowed to spread into Neighborhood.
