

Lines of Service

- Advocacy - Support the protection, defence and advancement of City and public interests before courts, boards, tribunals and other decision makers.
- Corporate Counsel - Identify and evaluate corporate risk by providing strategic, business and legal advice, supporting all service lines in the execution of Council's strategic directives including Council, Council Committees, Executive Leadership Team (ELT) and steering committees.
- Business Transactions - Negotiate, and draft agreements and other documents as well as advise on their interpretation and enforceability. Facilitate the closing of legal transactions.
- Municipal Counsel - Provide legal advice on matters related to municipal issues
- Regulatory - Advise on corporate regulatory obligations and proposed actions to satisfy them.

Line of Service

- Insurance and Claims - acts as the corporation's insurance company, providing insurance and claims services for all of its operations. This service also manages the adjustment of claims either brought forward by the public or the corporation, in a fair and equitable manner.
- Risk Management - monitors the operational risks of The City and associated boards and authorities to determine cost-effective solutions to eliminate, reduce, manage, transfer or insure such risks.
