City Council,

We wish to protest the proposed Bylaw Amendment for 416 Whiteside Road NE. With as many as 8-10 people already renting sleeping spaces at that address, the potential for double that amount of renters there will further increase damage to this family oriented neighborhood. Parking challenges from the many cars used by renters at that property have already caused trouble. The double garage being built will not accommodate the dozen or more vehicles from the renters.

It is our hope City Council will give careful consideration before granting such permits in our neighborhood and thereby escalating the area into a slum.
