Hi Katherine,

The KGCA is not taking a position of support or opposition towards this redesignation at this time. The committee had requested the DP to be able to fully evaluate the application.

That being said, as mentioned in Halyna's last email she would be happy to meet with the committee in Jan 2022 and on the phone, indicated to me that she intended on making her DP application after the CPC meeting.

If the DP is submitted in Jan and the Public Hearing for the LUR goes in mid/late Feb. What would be the cut off for the KGCA to provide comments to make it into the Public Hearing report?
