

The word "Calgary" in white text on a red rectangular background.A wide-angle photograph of the Peace Bridge in Calgary, Alberta, Canada. The bridge's distinctive red, curved steel arches create a strong sense of perspective, leading the eye towards the city skyline in the distance. The bridge spans the Bow River, with a rocky shoreline and green trees visible on the right. The sky is filled with dramatic, white and grey clouds, suggesting an overcast day. In the foreground, the bridge's walkway and railings are visible, and a few people can be seen walking across it.

The logo for the City of Calgary, featuring the word "Calgary" in white text on a red rectangular background.A wide-angle photograph of the Peace Bridge in Calgary, Alberta, Canada. The bridge's distinctive red, curved steel arches create a strong sense of perspective, leading the eye towards the city skyline across the Bow River. The sky is filled with dramatic, white and grey clouds, and the water reflects the light. In the distance, several modern high-rise buildings are visible. A few people can be seen walking on the bridge's deck, and a small boat is on the river.
