Dear Calvin Chan:

Re: LOC2021-0087, 2108 – 8 Avenue SE

The Planning Committee (PC) has reviewed the application for a road closure with land use redesignation at the above noted address. Based on the PC's initial review of the application, the intent of the application was a bit unclear (based on the application description), but after some clarifying questions, the PC has moved to support the application.

We do not complete the Community Context Questionnaire as a matter of policy as we find it to be no substitute for our Committee assessment of any given permit. If you have any questions, please call me at 403-619-0559.

Regards,

INGLEWOOD COMMUNITY ASSOCIATION  
Planning Committee
