RE: 577 Northmount Dr NW Land Use Redesignation - LOC2021-0140
The proposed land use redesignation from residential to a LARGE daycare operation is not appropriate for the location. This will cause significant traffic and parking issues at the location. This type of operation would be better suited at a commercial location such as a strip mall. We support a small day home but not an operation that would involve changing land use and adding 7 parking stalls and multiple staff members, children, and parents coming and going throughout the day. Please do not approve this application as it is a detriment to our neighborhood that already has schools, community centre, and churches on the same street.
