Neighbourhood Consultation for Proposed Land Use Re-Designation/Secondary Suite

Dear Neighbour,

We are currently in the process of applying to the City of Calgary for a Land Use Re-designation on our property to allow for the opportunity to develop a secondary suite. We are requesting your feedback and support for this application. We want the opportunity to address any concerns you may have regarding this re-designation, which if successful would result in a development permit application for a secondary suite on the property. If you support this application, noting it below is greatly appreciated.
