

# Background

The City Manager's Quarterly Report supports the delivery of Council's priority of a well-run city as identified in the 2019-22 One Calgary Service Plans and Budgets, and Administration's Rethink to Thrive Strategy. Administration's Rethink to Thrive Strategy is directed at The City of Calgary's internal employee audience and is intended to help provide focus to Administration and outline how the organization will work together to support the delivery of the City Manager goals and Council's direction. Council approved the objectives and strategies in Administration's Rethink to Thrive Strategy on 2020 June 29.

Five strategies were developed to achieve these objectives, each with corresponding actions:
