Commissioner Scott	<p>Reasons for Approval</p> <ul style="list-style-type: none">• The proposed redesignation and resulting built form are supported by existing Local Area Policy.• The proposed DC approach results in a creative solution for mid-block forms of the R-CG rowhouse/ cluster built form that is sensitive to adjacent development.• Although outside the purview of CPC at this time, the proposed DC appears to be a potential base district modification to R-CG for mid-block situations.
