Dear Daniel:

**RE: Cardel Homes Silverton Station (Silverado)  
Street Name Application**

I would like to apply for the approval of the street name "Silverton Glen" within the community of Silverado.

Our rationale for this application is that it is preferred for the lands owned by Cardel Homes which are east of Sheriff King Street to have the street names "Silverton" or "Silverton Glen" as the west side will be all "Silverado". This will be less confusing for residents and emergency services. Additionally, the "Silverton Glen" name will allow for greater options for the Street Types (Road, Boulevard, Place, Etc.) as only using "Silverton" will soon restrict the options. The "Silverado Glen" name was used as part of an older Outline Plan (LOC2009-0102) and Cardel Homes has since purchased most lands that are contained in this plan as well as replacing some of it with a new Outline Plan (LOC2015-0118). This change would allow the continuity of the Silverton name by replacing all the older street names with "Silverton" or "Silverton Glen".

Please process this application for approval at your earliest opportunity, and should you require any further information do not hesitate to call me at 403-461-7291.

Sincerely,
