

## 2022 Assessment and Tax Circumstances Report 1

### RECOMMENDATION(S):

That the Executive Committee recommend that Council, under the authority of section 347 of the Municipal Government Act (MGA):

1. Cancel property taxes and Business Improvement Area levies (Attachment 2); and
2. Cancel municipal property taxes for qualifying non-profit organizations (Attachment 3).

### HIGHLIGHTS

- **Reason for recommendations:** Twice a year, Council approval is requested to cancel taxes accrued on individual tax accounts.
- **What does this mean for Calgarians?** It ensures that property taxes are cancelled if they were levied incorrectly and also benefits eligible non-profit organizations.
- **Why does it matter?** This report recommends that Council cancels \$297,731.68 in property taxes overall to support accuracy, fairness, and transparency.
- The \$281,349.50 detailed in attachment 2 of this report is for the applicable 2019-2021 taxes accrued on property accounts that meet Administration's criteria for prior year tax cancellation including properties that were taxed in error due to issues such as timing of information receipt, incorrect data, and technical/human error.
- The \$16,382.18 detailed in attachment 3 of this report is for the applicable 2017-2021 municipal property taxes for non-profit organizations that applied and qualified for tax cancellations under the *Non-Profit Tax Mitigation Policy*.
- Strategic Alignment to Council's Citizen Priorities: A well-run city
- Background and Previous Council Direction is included as Attachment 1.

### DISCUSSION

#### Tax Cancellations Related to Prior Years' Assessment Rolls (Attachment 2)

Administration cannot amend the assessment roll or cancel taxes for previous years. This report brings previous year's taxes to Council that Administration recommends for cancellation. The recommended cancellations would cancel or reduce both the municipal and provincial property taxes. Upon cancellation, the provincial portion of the property tax is a cost to The City until it is recovered next year through the provincial property tax rate calculation. If Council chooses not to support the recommendation, the tax liabilities and amounts owed will remain as originally billed.

#### Exempt Organizations and the *Non-Profit Tax Mitigation Policy* (Attachment 3)

Non-profit organizations that provide public facilities are generally exempt from property tax through the MGA and the *Community Organization Property Tax Exemption Regulation* (COPTER). Some property tax exemptions require the property and/or facility be used for an exempt purpose. Exemptions based on use do not apply to properties and/or facilities while under construction. To address this issue Council adopted the *Non-Profit Tax Mitigation Policy (Policy)* to cancel the municipal property taxes of non-profit organizations that paid tax during the construction period of their facility and whose subsequent use of the property met the criteria for property tax exemption. If Council chooses not to support the recommendation, the tax liabilities and amounts paid will remain as originally billed.
