Subject: Land use bylaw change

I am opposed to a land use bylaw change (bylaw # 1120 2015, loc. 2015-0032) for the property at 104 Westwood Dr. SW in the community of Westgate. As a resident of Westgate for 46 years, I oppose the land use bylaw changes for properties that currently have R-C1 zoning to a R-C1S status for the following reasons: they decrease property values, increase additional traffic and add congestion to this limited accessible community. We, the residents of Westgate, are desirous to maintain our primarily R-C1 neighbourhood. Over 80% of the residents surveyed in Westgate are opposed to R-C1 zoning changes, however, we are not opposed to development on R-C2 properties that meet land use bylaw requirements. I respectfully request this land use bylaw change for this property be denied.

Sincerely

Subject: proposed rezoning for 104 Westwood Dr.

Hello;

I am writing to tell you that I support our neighbour's application to redesignate the land located at the above address to R-C1s. My husband has spoken to them and we have no objection to their plans.

I hope that you will take this into consideration when making your decision.

regards
