

## Background and Previous Council Direction

This attachment includes both a background on Emergency Management Committee risk engagement and previous Council direction.

### Emergency Management Committee Risk Engagement

The Emergency Management Bylaw requires the Calgary Emergency Management Agency to provide a Status of Emergency Preparedness Report annually to Emergency Management Committee.

In addition to a Status of Emergency Preparedness Report, two reports and panel presentations are provided each year to allow meaningful conversations and ensure Emergency Management Committee and Calgarians are well-informed on actions taken to address high risks for Calgary. Reports are received for the corporate record and inform the annual Status of Emergency Preparedness Report.
