That Council give three readings to **Proposed Bylaw 61D2022** for the redesignation of 0.06 hectares \pm (0.14 acres \pm) located at 3824 – 16 Street SW (Plan 2869AC, Block B, Lots 11 and 12) from Multi-Residential – Contextual Low Profile (M-C1) District to Residential – Grade-Oriented Infill (R-CG) District.

HIGHLIGHTS

- This application seeks to redesignate the subject site to Residential – Grade-Oriented Infill (R-CG) District to accommodate a future rowhouse development with secondary suites.
- The proposal allows for compatible residential uses that align with the *Municipal Development Plan (MDP)* and supports the long-range growth direction of the *South Calgary/Altadore Area Redevelopment Plan (ARP)*.
- What does this mean to Calgarians? The proposed R-CG District would allow for a greater variety of housing options within the community and more efficient use of land, existing infrastructure, and amenities.
- Why does this matter? The proposal would contribute towards a more diverse range of housing options to meet the different social and economic needs of Calgarians.
- A development permit for a four-unit rowhouse with secondary suites has been submitted and is currently under review.
- There is no previous Council direction in relation to this proposal.
- Strategic Alignment to Council's Citizen Priorities: A city of safe and inspiring neighbourhoods.

Land Use Amendment in Altadore (Ward 8) at 3824 - 16 Street SW, LOC2021-0174

DISCUSSION

This application was submitted by Horizon Land Surveys on behalf of the landowner, 2384338 Alberta Ltd (Bill Truong), on 2021 October 22. The subject site is located in the southwest community of Altadore. The Applicant Submission (Attachment 2) indicates the owner's intention to redevelop the property to accommodate a four-unit rowhouse building with secondary suites. The existing M-C1 District does not specifically allow for suites within a multi-residential development. The proposed downzoning from the M-C1 District to the R-CG District would allow for the development of a rowhouse with suites included. A development permit (DP2022-00818) for a four-unit rowhouse with secondary suites was submitted on 2022 February 07 and is under review (Attachment 3).

A detailed planning evaluation of this application, including location maps and site context, is provided in Attachment 1, Background and Planning Evaluation.

Administration did not receive any responses from the public.

Administration considered the relevant planning issues specific to the application and has determined the proposal to be appropriate. The building, site design, and parking would be reviewed and determined through the review of the development permit application.

Following Calgary Planning Commission, notifications for Public Hearing of Council for the policy and land use amendment will be posted on-site and mailed to adjacent landowners. In addition, Commission's recommendation and the date of the Public Hearing will be advertised.
